

Breon Studio â Website Cost Kenya 2026

Free planning sheet for founders

Honest ranges for Kenyan businesses. Not "from KES 5,000" bait.

Brochure / company site

KES 80,000 - 250,000

5-12 pages, mobile-first, contact forms, basic SEO setup.

Custom marketing website

KES 150,000 - 400,000

Unique design, stronger motion/UX, CMS if needed.

E-commerce + M-Pesa

KES 200,000 - 600,000+

Catalog, checkout, STK Push / Lipa Na M-Pesa, training.

What changes the price

- Number of pages and design rounds
- Product count and variants
- M-Pesa, delivery, inventory rules
- Copywriting and photography
- Speed / SEO / analytics setup

Red flags

- No live portfolio URLs
- No written scope
- Unclear who owns domain and code
- Prices that only work with stolen templates
